I the undersigned hereby directs the Company named above to withdraw the Transfer Amount shown above and transfer it directly to American Savings Life Insurance Company (ASL) after deducting any surrender or other charges. I further direct that the check for the Transfer Amount (after deducting any surrender and other charges) be made payable to American Savings Life Insurance company, FBO myself, for deposit into a replacement annuity contract and mail to the address stated below to the Annuity Services Department. I intend this transfer to be a partial exchange of contracts under the Internal Revenue Code Section 1035 (IRC Section 1035). ASL agrees to apply the Transfer Amount received from the Insurance Company named above as premium on any contract issued.

I represent and agree that American Savings Life Insurance Company is furnishing this form and is participating in this transaction at my specific request and as an accommodation to me. If there is a gain in the contract, cancellation of an existing loan on the original policy is considered a distribution and may be a taxable event. To possibly avoid this result, the Policy Owner can pay off the existing loan prior to the exchange.

Life insurance contracts issued before June 21, 1988 may lose preferential tax treatment afforded to them under Internal Revenue Code Section 7702 and 7702A under certain circumstances in a 1035 Exchange. The new policy may be classified as a Modified Endowment Contract (MEC) and taxed accordingly. Consult your tax advisor for information.

3. Contract Statement

Unless the surrendering company's policy/contract is attached, I affirm that the policy has been lost or destroyed and that reasonable effort has been made to locate it. To the best of my knowledge, no one else has any right, title or interest in the policy/contract nor has it been assigned, pledged or encumbered.
