## **5.00% CURRENTLY WITH A 2.50% GUARANTEED INTEREST ACCOUNT**

Our Guaranteed Interest Account (GIA) lets you save additional money for the future. You can deposit funds into the GIA to save for your child or grandchild, yourself, or to automatically pay future premiums.

The Guaranteed Interest Account will earn a current interest rate of 5.00% with a lifetime minimum guaranteed interest rate of 2.50%, with no fees, surrender charges or penalties for withdrawal.

The maximum GIA balance varies with the amount of life insurance death benefit coverage and underwriting category. For example, if you choose a \$20,000 life insurance policy, you can save up to a maximum of \$20,000 at the 5.00% current interest rate.
